

Learn About Amateur Radio !

Come to our
FIELD DAY

& see a weekend of

- Science
- Communications
- Emergency Preparedness

**SCIENCE · TECHNOLOGY
ENGINEERING · MATH**

Learn about World Wide RADIO communications ...
Speak over an actual Short Wave Radio station ...

See how we use computers + radios + nature
+ emergency power for fun & public service!

**YOU are invited to visit us
and see what it's all about ...**

**Fair Lawn Memorial Park
(between the pool & river)**

Sat. June 28th, 2pm to 5pm
 7pm to 9pm
